Pittsburgh Makes Provision for All Going Through City to Border.

PITTSBURGH, June 21.—Pittsburgh will follow the precedent established in the Civil War and feed all soldiers passing through this city for the Mexican border. Coffee, sandwiches and probably more substantial food will be provided for a number now estimated at 50,000. No soldier passing through the city will go hungry.

The Pittsburgh chapter of the Women's Division for Preparedness will have the work in charge and the City Council has agreed to pay all expenses.

## ADMIT \$25,000 GEM THEFT TO SAVE WIFE FROM GOING TO JAIL

Two Others Held in Round-Up That Follows Hotel Gotham Robbery.

To save his wife from the charge of being his accomplice in the theft of \$25,000 worth of jewelry, Frederick Hall, of No. 135 Mermaid Avenue, Coney Island, confessed to Police Inspector Gray to-day that he had committed the robbery alone and that Mrs. Hall knew nothing about it. It was Inspector Gray's threat to lock up the woman that brought about his confession.

Hall went to the Hotel Gotham and registered as David Gibbs. He learned that George Bird, one of the guests, scouted the idea of a flocking the drawer in which he kept his valuable collection of jewelry, and determined upon the robbery. It is said. He told the inspector that he watched Bird's room for days until he got a chance to enter and then slipped in and rifled the drawer.

Although Hall's picture in the Rogues' Gallery and his signature on his fingerprint card established his identity as David Gibbs, he stoutly denied it until his wife broke into tears when they were brought together in the inspector's office.

Two other arrests were made in connection with the robbery. Caspar Holdstein and Emma Washington, both colored and living at No. 166 West One Hundred and Thirty-third Street, were charged with receiving stolen goods. Hall said that a diamond and sapphire ring worn by the woman was part of the loot. Mrs. Adelaide Hall was released, but the other three were held in Yorkville Court.

## CAUGHT AFTER CHASE; ADMIT STEALING AUTOS

Detectives Fire at Men Who Confess They Took Eight Cars From Coney Island Since May 1.

Arrested this morning after a long, swift chase in a motor car, from which detectives fired several shots at them, Joseph Butler, twenty-one years old, of No. 269 Ninth Street and Arthur Brown, twenty-nine years old, of No. 1672 Eighth Street, Brooklyn, confessed that not only had they stolen the car they were driving but that they had stolen eight cars at Coney Island since May 1. They said they had sold them through advertisements in the New York papers.

The last car they stole was taken last night from in front of a moving picture theatre in Surf Avenue. It belonged to Benjamin F. Kapelsky, of No. 108 Eastern Parkway, who was in the theatre. A boy told him he had seen two men go off in the car. Later Detectives Lavell and Sullivan of the Coney Island Bureau saw the auto on Surf Avenue and gave chase in a commandeered car. They ran the two thieves down in Ocean Parkway, near Coney Island Creek.

Radical Price Savings Developed Through Weekly Clean-Up of All Odd Assortments

Please Read Carefully

THIS IS A SALE THAT POSSESSES A VITAL MEANING TO EVERY WOMAN WHOSE EYE CATCHES THIS ADVERTISEMENT.

Let us explain.

Thursday—every Thursday—we present for the one day a sale that stops at nothing by way of price lowering, so we dispose of the many odd lots and discontinued models that have accumulated from day to day in each department.

Many houses—in fact, we may say MOST houses—are prone to mix these in with the newer lines, and so continue their sale at the regular prices.

WE believe in early losses, to keep our stocks fresh and new ALL THE TIME.

As soon as something smart in style appears, and that means almost every day, you'll find it here.

The wonder of our Thursday bargain sales has spread from the furthest reaches of Long Island to Harlem and the Bronx.

Tomorrow is going to be one of our BIG Thursdays—with savings of fully half.

Broadway corner Eighth.

This sale is a bit of an indication of the capacity of the John Wanamaker Store to serve its customers.

There is no surplus of good suits to speak of in the hands of manufacturers. Prices have gone up stiffly. Had we waited there would have been no sale. But we began preparations a year ago, when suitings were 80c to 90c a yard under today's prices, and had more than 3,000 suits made for us, in our models, by our regular tailors, as they could give the time to them.

It is a better sale, though quantities are less, than last year's. Included are

All regular sizes at each price

Shorts and slacks and long

Models cut for young men

Several conservative models

Blue serge suits at each price

Several hundred silk-lined suits

All fresh and new. First time on sale today. If you missed it, do yourself the justice of looking the sale over tomorrow.

There's a sale of straw hats at \$1 at Broadway and Eighth. There's a collection of summer shirts you ought not to miss. There are bathing suits, and silk socks, and shoes for the beach. And everything is new, and fine, and moderately priced.

## Imported Shantung Printed in Exclusive Patterns—\$1.45 Yd.

Originality and exclusiveness are features of Wanamaker silks even at low prices. The Down Stairs Store imported these natural colored Shantungs.

They were then relieved of their "loading" substances and printed in the refined state in patterns of our own selection.

These patterns—

in many colors on the natural background—are mostly copies of old Russian embroideries and motifs; some are variations of the always-popular stripes and polka-dot effects. They will have to be seen to be appreciated.

Finished these fabrics are soft and yet substantial enough for all kinds of wear, 33 inches wide. At Wanamaker's only—\$1.45 yard.
